LIONS WEEKLY

Update

As per last fortnights newsletter, nothing too exciting to report other than the fact the boys are training very hard at Hamilton Secondary College, converting to Mortlock in February which is going to be great to be home. If you have any football related questions please make contact with head Coach Brett Leonard 0432 233 134.

The push to get a Under 18's team up this year is still in full swing, so if you know of players or people that can help out, let Scott Hooper know at 0438 813 306

There is also a whisper of a JUNIOR FEMALE team, most probably under 15, but still not confirmed. Again if you know of someone that is keen to play or help out, at this moment contact

Matt Lemmers on 0427 121 956

Off the field, the Committee have been meeting and preparing for the new year. This time of year its often taken up trying to find sponsors. If you are one, or know someone that is able to help the club financially please let Dean or a committee person know.0402 461 800

BUNNINGS MARION - BBQ

Huge thanks to the small band of helpers that turned up for the BBQ last weekend. Due to holiday commitments we had many people that weren't available, so thanks again for the time you spent burning a sausage or two.

CANTEEN 2017

Back in the glory days of CLG and Football Clubs in general, there was always a Grandparent, retired person, or someone in our community that wasn't too interested in watching the actual game, but still wanted to help, that would put their hands up to run the canteen, FREE OF CHARGE.

Those days may be gone, but putting it out there, is there anyone

interested in taking this role over.

Breaking the role up, need someone to run the canteen for 9 Senior home games, perhaps someone else for the 9 Junior home games but one of those people would also need to spend sometime each fortnight stocking the canteen.

If you know someone or wanted to "dob" someone in, please let me know

Shaun
